Aryakul College of Management & Education

About the Institution

Aryakul College of Pharmacy & Research, Lucknow was established under the aegis of Manav Vikas Evam Sewa Sansthan (MVESSE); an NGO, promoting the cause of empowering society through quality education and economic sustainability, in an effort to realize the goal of grooming the educational and technical competence of younger generation, to prepare them to take challenges of adulthood with gainful employment along with service for Nation building simultaneously. Aryakul College of Pharmacy & Research, Lucknow started in 2007 completing 10 years of its glorious success in serving for rural India with state of art facilities, well equipped Laboratories and Building in an ecofriendly Environment. The Institute is Affiliated with A.K.T.U. Lucknow and approved by AICTE, PCI, MHRD, Govt. of India for their Bachelor and Masters Courses in Pharmacy.

OBJECTIVE

Aryakul College of Pharmacy & Research, Lucknow has taken an initiative to organize a National Conference on **Renewable Energy; Present and Future Perspectives in Research & Industries**. The main aims of the conference are:-

- To provide the platform for scientific community to interact on related innovations and recent trends.
- To develop scientific temper in the young generation.
- To disseminate information about latest development in recent trends in Renewable Energy Education.

It is expected that the conference will generate awareness among all concerned to contribute effectively towards Renewable Energy Education and its present aspect on research and Industries along with their future perspectives for building up innovation and entrepreneurship as pillars of the Indian technology. The Conference will focus to facilitate the exchange of latest research, current practices, and future trends in the field of Renewable Energy Education that would best fit for the local as well as global needs.

Call for Papers

Research papers from social Educationist, Engineers, Research Scholars, Scientists, Academicians, R & D personnel, Consultants, Government and non government organizations are invited for presentation in technical sessions. Full paper of maximum six

pages of A4 size single columns in given format (Ms-Word doc file) should be forwarded to convener of organizing committee by email. The acceptance will be notified to the participants via e-mail. The original and unpublished research papers accepted for presentations will be published. The paper should be related to conference themes listed below.

However

- Solar Technology in Pharma Industry
- Green Technology in Pharmacy Research
- Renewable Energy Sources
- Power Generation, Operation & Control
- Energy Efficient Systems
- Nanotechnology in Pharma sector
- Material Science in pharmaceuticals
- Energy Management
- Biomedical Instrumentation
- Renewable Energy in Research
- Green Synthesis in Pharma Industries
- Energy conservation
- Alternate Hydro-Energy Systems

Author Guidelines

- Authors are invited to submit the original and unpublished research papers of given conference themes.
- A single paper having multiple authors should register individually if more than one author is attending the conference.
- Submit your paper directly by email: aryakulcollege@gmail.com

About the Lucknow City

Lucknow is the capital city of Uttar Pradesh and it has always been a multicultural city. Courtly manners, beautiful gardens, poetry, music, and fine cuisine patronized by the Persian-loving Shia Nawabs of the city are well known amongst Indians and students of South Asian culture and history. Lucknow is popularly known as the City of Nawabs.

It is also known as the Golden City of the East, Shiraz-e-Hind and the Constantinople of India.
