Innovation & Incubation Cell (IIC) Guidelines

Objective:

The IIC aims to promote innovation, entrepreneurship, and commercialization of ideas and research among students, faculty, and staff.

Key Functions:

- **Idea Generation:** Organize events like hackathons and innovation challenges to stimulate creative thinking.
- **Incubation Support:** Provide infrastructure, mentorship, and funding for the development of innovative projects.
- **Entrepreneurship Development:** Support students and faculty in creating start-ups, offering guidance on business development and commercialization.
- **Collaboration:** Foster partnerships with industry experts, investors, and external innovation hubs to facilitate growth.
- **IP Management:** Assist in protecting intellectual property and guide on patents, trademarks, and copyrights.

Structure:

- **Chairman:** Senior administrator (Director or equivalent).
- **Core Team:** Faculty members, industry professionals, and entrepreneurs.
- **Coordinator:** Responsible for day-to-day operations and project management.
- **Mentors:** External advisors who guide the start-ups.

Key Activities:

- **Workshops & Training:** Conduct sessions on innovation, business management, and intellectual property.
- **Networking:** Organize events with industry experts and investors.
- **Funding Support:** Assist in securing seed funding or venture capital.

Monitoring:

Regular progress reviews and feedback to ensure projects are on track and achieving milestones.

Expected Outcomes:

- Development of successful start-ups.
- Promotion of a culture of innovation within the institution.
